Dear Families of K-8 Students:

May 15, 2018

Youngstown City Schools and Title 1 are proud to announce that we will be providing a **Summer Enrichment Program** for all students grades K-8. This will be a great opportunity for our elementary students to prevent the “summer slide” by engaging them in creative reading, writing and math instruction, along with quality enrichment activities and field trips. **This program will run from 8:30 am to 3:00 pm, five days a week, from July 9, 2018 to August 3, 2018. Breakfast, lunch, snack and transportation to and from school will be provided at no cost to families.** We will provide academic enrichment in reading, writing and math from 8:30 am to 11:45 am, lunch and then additional enrichment activities from 12:15 pm to 3:00 pm.
