### **YCSD Seniors to Attend College and Career Fair**

*November 14, 2011:* Youngstown City Schools' high school seniors are invited to a College & Career Fair to be held at East High School on Thursday, November 17, 2011, from 8:30-11 a.m.

The East gymnasium will house more than 50 college representatives and career providers who will answer questions and provide information about future opportunities for students. While exploring a variety of career fields, trade schools and colleges, students will be encouraged to identify and act on their interests.

Some of the organizations expected to attend the College & Career Fair include:

- Medical Field:** NEOUCOM
- Business field:** Youngstown Business Incubator
- Military:** U.S. Navy and Army
- Trade Schools:** DeVry University, Ross Medical Education Center, New Castle School of Trades, West Corporation, Mahoning-Trumbull Electrical JATC, Builders Association
- Education:** Ashland University, Baldwin Wallace College, Cleveland State University, Lake Erie College, Kent Trumbull State University, National College, Walsh University, Youngstown State University
- Transition Services:** Mahoning County Board of Developmental Disabilities

The Fair is sponsored by Youngstown City School's Guidance Department. For more information, contact Pam Logan, guidance supervisor, at 330-744-8870. East High School is located at 474 Bennington Ave.
