FOR IMMEDIATE RELEASE

YCS GARDEN PROJECTS HIGHLIGHTED AT GREY TO GREEN FESTIVAL

September 1, 2011: The gardening projects of four schools will be highlighted at the upcoming Grey to Green Festival in a “Horticultural Happenings in Youngstown City Schools” display.

Paul C. Bunn Elementary, William McGuffey Elementary, Martin Luther King Elementary and Volney Rogers Middle School will have photo displays, handouts, and produce for public viewing and sampling. Children will be treated to a series of fun and eco-friendly, hands-on activities using junk mail, grocery bags, and bottle caps to make up-cycled crafts and games.

The Grey to Green Festival, now in its 4th year, takes place on Saturday, September 10, 2011, in Wick Park, and runs from 10 a.m. to 5 p.m.

For more information about the gardening projects, please contact the individual schools. For more information about the festival, visit the [Grey to Green Festival website](#).
